

Safe and easy to use

**Made with medical
grade silicon**

**Very quiet,
less than 50 decibels**

Safe and Easy to Use. The Chillin'TM Pet Massager's head is made with medical grade silicone so your pet only feels a soft and gentle touch during the massage. To accommodate your pet's sensitive ears, the Chillin'TM Pet Massager has only one quiet mode that is less than 50 decibels.
